

HONEYMOON

Honey

PRODUCT PROFILE

INTRODUCTION

- ❖ HoneyMoon honey is **100% pure natural** honey, filtered and packaged with no preservatives added
- ❖ It is ethically sourced from farmers in Baringo, widely regarded as the **origin of the finest honey in Kenya**
- ❖ Beekeepers provide a quality product with a robust **traceability system**
- ❖ HoneyMoon is **hygienically packaged** in 25g and 50g sachets for convenience and ease of use

CONVENIENT & HEALTHY

- ❖ HoneyMoon is a convenient option for restaurants, hotels and bars to provide a sweetening substitute to today's increasingly health-conscious customer
- ❖ Our product is popular in hotels, restaurants and bars in the Kenyan market, and internationally
- ❖ A positive response has been noted among consumers of other health products such as lovers of green tea

EASY TO USE

- ❖ Honey has been proven to be a healthier alternative to sugar and has numerous medicinal qualities
- ❖ Our convenient sachets bring the benefits of honey in easy to carry and attractive packaging. No mess; just tear and use
- ❖ HoneyMoon honey makes it easier to use honey as a substitute sweetener for tea, coffee or cocktails; and is ideal for lovers of dawa
